Fantail Bay , Port Jackson, Fletcher's Bay, Waikawau Bay, Stony Bay

The DOC campgrounds listed above must be booked online before your visit especially during the summer months: [Online booking form](#)

From Coromandel head north to the Colville. The Colville Store is the last stop for fuel & supplies. While there enjoy an ice-cream or a coffee at the cafe.

Continue north until you come to the T intersection.

Option 1: Turn left to go to Fantail Bay, Port Jackson or Fletcher's Bay.

Option 2: Turn right to go to Waikawau Bay

Option 1 Activities:

- Fish off the Paritu Granite Wharf
- At Fantail Bay take the walk up behind the camping area for awesome views.
- Head on to Port Jackson and set up camp on this beautiful north facing beach. Fish in the stream and watch the kahawai surf in on the waves here. Walk the stunning Muriwai walkway along the cliff tops with outstanding coastal views.
- Travel on to Fletcher's Bay. View all the islands from the top look out point. See if you can locate the plaque with all their names on it.
- Walk the Coromandel Walkway to Stony Bay & back. There are plenty of walks in these areas as well as gorgeous beaches to swim at, collect shells on & rock pools to explore.

Option 2 Activities:

- There is a large campground at Waikawau Bay with a small store, an awesome beach & horse riding up the road. Summer programmes are run from here by the Moehau Environment Group for all ages and focus on fun and learning in amazing surroundings from coast to steep forested hills. Twenty plus activities for all ages are run by experienced guides and volunteers & focus on native flora & fauna, conservation & has cool kids activities. You will need to book though on www.meg.org.nz
