

## Pet Policy

Every effort should be made by the hirer to ensure that the upholstery and internal features of the van are not damaged. Failure to comply with the requirement could result in the loss of your security imprint.

The insurance does not cover for loss or damage caused by pets or any loss or injury to pets within the van, be it stationary or moving. The hirer acknowledges that all losses and or damages to or caused by pets will be their responsibility

If the motorhome requires further cleaning as a result of not looking after your pet and our motorhome well enough for the next traveller, an additional charge may be applicable. Please just let us know as soon as you can if you foresee any issues.

### Rules

We don't charge extra for you to bring your pet, but for us to be able to maintain a high standard of vehicle for pet friendly hires you are expected to follow some basic pet friendly rules. Please read and agree to our Pet Policy prior to booking.

Some breeds of dog are renowned for heavy moulting/shedding, if you are aware that your pet does moult/shed hair in extremely large quantities, the van would not be suitable and therefore, please do not make a booking.

- We allow 1 Medium or 2 small dogs as a maximum for the space inside the van. We are sorry that a larger breed of dog ie, German Shepherd or larger would not be comfortable in the space available in the vans.
- All pets must be kept off all the soft furnishings.
- Pets must not be left unattended in the motorhome at any time.
- Please ensure all pets are secured during transit
- You will be responsible for any damage that occurs.
- You can bring along pet beds for your pets to sleep in.
- The vehicle must be returned free of pet hair and pet odour.
- We reserve the right to claim an extra cleaning charge of \$500 if a van is not returned in a clean condition.
- No wet dogs in the motorhomes please - for their enjoyment and yours.
- Any droppings are your responsibility and are to be disposed of properly, we do not supply plastic bags or waste bins.
